Please help by ensuring that children come to school prepared for the weather conditions with a proper jacket and footwear to keep them dry and comfortable.

**Information About School Status During Inclement Weather**

Snow closures and power outages are an annual occurrence in Langley School District. So where do you go to get information about the status of

schools during periods of inclement weather? If you have power in your home and an Internet connection, current information about Langley schools can be accessed at [www.sd35.bc.ca](http://www.sd35.bc.ca). Click on the “School Status/Closures” QuickLink. If you don't have connectivity, but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Current information is also posted on the Langley School District's Information Hotline at 604-532-1453. (Do not hang up if your call is not connected right away). Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130 AM, CKNW 980 AM, Country Radio 107.1 FM or CBC 690 AM for updates.
